## **TRACTOR RUN – SUNDAY 8<sup>TH</sup> SEPTEMBER FROM 10AM AT MARYSTOW CHURCH**

It's this weekend! Tractors will depart from Marystow Church at 11am for a two hour drive. Before they get back, you can enjoy a light lunch, cakes, teas, coffees and ice creams.

There will be a family dog show, a photographic exhibition by Launceston Camera Club, floral displays and various stalls.

Those interested in village history will also be able to hear a recently restored recording of the late Mr Horace Doidge, who was born in Chillaton in 1912, talking about life in the village. There will also be a display of historic photos of Chillaton and the surrounding area.

Please note that no dogs will be allowed in the church or churchyard.

Altogether, a fascinating variety of displays, all just a short stroll from the village. Don't miss it!

All proceeds will be shared equally between Marystow Church and Little Harbour Children's Hospice South West.

## **TRAFFIC IN CHILLATON – OPEN MEETING THURSDAY 12<sup>TH</sup> SEPTEMBER AT 7PM IN THE CHICHESTER ARMS**

Just a reminder that this meeting will be held at 7pm next Thursday. Do please come along to hear what the Traffic Group has been working on and give your views on what, if anything, should be done to improve things.

There will be a presentation using slides and video, **so if you normally use glasses to read or to watch TV, please bring them with you.**

## **RELOCATING THE CHILLATON POST OFFICE SERVICE**

As many people will already know, it is planned to move the Post Office service to the Chichester Arms. The current hours of opening [9am – 12 noon on Tuesdays and 2pm – 5pm on Thursdays] would not change.

The Post Office is now in the process of making this happen and has to go through a public consultation process.

They have contacted the Parish Council to seek views on the following issues:

How suitable is the new location?

How easy is it to get there?

Are the premises easily accessible?

Are there any concerns about the new location and if so, how could they be resolved?

Are there any community issues that would be affected by the proposed move?

Is there anything else that you particularly like about the proposed change?

The consultation period ends on the 3<sup>rd</sup> October. Any comments should be made directly:
