Vogues and Vagaries

A PAGE FOR WOMEN

THREE GIRLS IN A FLAT.

(By CLARISSA LOWE)

It suddenly came over all feminine-like, the fashion notes and the long list I received from my sister in Paris...

It was helping to pack parcels for the girls at the front, and give a hand to some of the children who have returned to Paris...

I want a new day dress, I want five new evening dresses, I want ten new hats...

GOLD SEQUINS. There's one thing I'm going to put in hand, and that is immediately. It's a notion...

It's an ordinary black sweater, which I shall make in stocking stitch, and will give the shoulders some of the silk effect...
