SOCIAL SERVICES

TWO important instalments of the new social services—the National Insurance Act and the National Health Service—were formally introduced on Monday...

It has been said that it will take about ten years for the effects of the Health Service to become apparent. A good deal will happen in the interim...

It is probable, however, that Gen. de Gaulle will render a more impressive account of his work and all we can do is to hope that there will be as little misunderstanding as possible...

Closed Doors

Even if the French Socialist Party were not already known to be in difficulties, the fact that it has had to hold its Congress behind closed doors would sufficiently indicate that this was so.

The shadow of Gen. de Gaulle is cast over the political scene and looks as though some of the Socialists would like to hide their heads under the bush of the country against "Gaullism."
